

Bevel Edge

DOOR

polytec

polytec's Bevel Edge profile provides a sleek, seamless looking door reflecting the current kitchen trends by giving a modern, minimalistic appearance without any handle hardware interruption. This will allow for the beauty of the selected finish to be the focus of the kitchen.

COVER IMAGE: Bevel Edge drawers in VENETTE Cinder with Copper Leaf Matt rails. Benchtop and splashback in LAMINATE Tunisia Stone Matera.

Dark coloured surfaces will show fingerprints and require more care and maintenance than lighter coloured surfaces. It is recommended to test a product sample prior to colour selection. polytec swatches and samples represent a small area of the overall colour structure. To view the large colour sample, visit www.polytec.com.au.

The colours and details shown in this brochure are to the highest standards in printing. However, they should only be used as an indication of actual product colour. To order your free colour sample visit www.polytec.com.au.

The use of our current samples gives the colour and finish that a customer would expect to receive. Samples are provided for colour and finish selection and polytec recommend testing a sample for fingerprint resistance and ease of cleaning. polytec does not guarantee exact colour matches across product ranges due to colour variation in each product group.

Visit www.polytec.com.au for specific care and cleaning information.
