

Tight Form

BENCHTOPS

polytec

polytec's Tight Form edge profile provides a realistic, modern look similar to a stone or granite edge with the functionality of high-pressure laminate.

Available in a wide variety of stone structures, wood grains and solid colours, including the Matera, Woodmatt and Smooth ranges, polytec's innovative benchtop range is stylistically individual, functional, and affordable.

The colours and details shown in this brochure are to the highest standards in printing. However, they should only be used as an indication of actual product colour. To order your free colour sample visit www.polytec.com.au.

The use of our current samples gives the colour and finish that a customer would expect to receive. Samples are provided for colour and finish selection and polytec recommend testing a sample for fingerprint resistance and ease of cleaning. polytec does not guarantee exact colour matches across product ranges due to colour variation in each product group.

Visit www.polytec.com.au for specific care and cleaning information.
